

Dear Americans,

The United States will celebrate its 250th anniversary on July 4th 2026, marking 250 years since the signing of the Declaration of Independence. With a single sheet of parchment and 56 signatures America began the greatest political journey in human history. This milestone is an opportunity for Americans to reflect on the nation's history, honor, contributions for all citizens, and look forward to the future.

The Lewisburg Arts & Recreation would like to invite interested businesses and organizations to a meeting on November 18th at 6PM to decide how we as a small Village might want to celebrate. There will be many events on July 4th throughout the country so we were thinking maybe something down in the park on a Sunday in September 2026. We want this to be a free event. A community picnic with historical reenactments, games for adults and children, food (maybe a carry in), crafts and music from the time period. These are just some of the ideas, we would like to have input from the citizens, organizations, and business. All are welcome to this meeting that will be held at the Community Center.
